Independent Auditor's Review Report on the Quarterly and year to date Unaudited Financial Results of DBL Infra Assets Private Limited pursuant to the Regulation 52 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

#### To the Board of Directors of DBL Infra Assets Private Limited

- 1. We have reviewed the accompanying statement of unaudited financial results of DBL Infra Assets Private Limited ('the Company') for the quarter ended 30 June 2024 (the Statement), being submitted by the Company pursuant to the requirements of Regulation 52 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Listing Regulations').
- 2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors of the Company, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, as amended (the 'Act') read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified in the Companies Act 2013, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

	Exclusive Security Cover Ratio	0.57		Parl-Passu Security Cover Ratio										

Notes: Company has to maintain asset cover ratio as defined in the Debeviure Trust Deed. The asset cover based on the assets given as security of the Company comes to 0.57. However, out of the social Security provided for the jetter, this security also includes the investments and loans given by the Parent Company to the portfolio companies which are not covered above. After considering intel security given by the Company and its Parent Company, the security cover ratio will be fulfilled.
