Subject: Request for Rectification – Incorrect Purpose Selected in XBRL and Record Date Intimation

Dear Sir,

We are writing to inform you of an inadvertent error in the XBRL filing and Record Date Intimation submitted by us on 25th October 2024.

It has come to our attention that, in the mentioned filing, the "Full Redemption Purpose" was wrongly selected instead of the intended "Part-Redemption Purpose." We understand the importance of accurate reporting and deeply regret this mistake.

We request you to kindly take this letter as a formal revocation of the purpose wrongly selected instead of Partly Redemption and consider the correct classification of Part-Redemption in place of the Full Redemption.

The details of the Part Redemption are as follows:

Current Face Value: Rs 9,18,456

Amount to be redeemed: Rs. 80,67,48,789

Post Redemption Face Value: Rs. 8,03,649

We sincerely apologize for any inconvenience this may cause and assure you of our prompt action to resolve the matter.
